Biddenden Tractorfest

While tractors remain the central attraction, with over 200 expected to exhibit over the weekend, there are plenty of stalls, vehicles, demonstrations, children’s entertainment, animals and arena displays to entertain both young and old! Pair this with enticing food & drink, live music and so much more to see and do, and there is all that is needed for a fun, family day out in the Kent countryside.

Arena demonstrations will include falconry, the dog & duck show and working horses, with craft exhibits such as wood turning & trug making, plus chainsaw carving and many others throughout the weekend.

Alongside a vast display of vintage tractors, there will be steam engines, horticultural machinery, stationary engines, classic cars and emergency vehicles. And if that’s not enough, there will be the chance to meet and buy direct from a specially curated selection of local businesses, producers, charities, organisations, makers and crafters with their stands set up for the whole weekend.
