Flock Competition

Entries for our annual flock competition are now open and judging will take place on Friday 13th June 2025. The competition is open to large, medium and small flocks who keep sheep for breeding whether commercial, pedigree or rare breed and live within 12 miles of Melplash village church. Our judges will visit each farm or smallholding to view the flocks. Entry to the competition is free and is an opportunity for farmers to be rewarded for their shepherding skills and flock management.
