SHOWGROUND TRAFFIC

All showground traffic must give priority to pedestrians and riders and strictly observe speed restrictions at times when such movement is permitted.

During the Show (0900 to 1800 hours) all showground roadways must be kept clear of any vehicles, exhibits, stands, canopies, etc. to allow free passage of emergency vehicles at any time.

Please note strictly no unauthorised movement of vehicles will be permitted within the show ground between the hours of 0900 and 1800 hours. N.B. Trade and Craft Stand Exhibitors are required to remain open until 1800 and MUST NOT attempt to leave the Showground before that time due to the danger of interaction with pedestrians

Livestock exhibitors: may leave the showground prior to 1800 hours, subject to the approval of the Showyard Directors and notification to the Section Secretary (movement is only to comply with DEFRA Animal Welfare regulations).

MAJOR INCIDENT PLANNING (SITE EVACUATION)

In the event of a major incident where it is necessary to evacuate the site, in accordance with the Management of Health and Safety at Work Regulations 1999, please follow all signs and instructions from the Organisers and Emergency Services.

ALL people will be requested to evacuate the site, until it is deemed safe to return. The Association accepts no responsibility for any property or livestock or any person or persons who fail to comply with the request to evacuate the showground.

Public Liability Insurance – Whilst the Association has public liability cover in place for its own protection, this insurance does not provide for competitors or any liability which they incur. Our insurers strongly recommend that all competitors have in place their own insurance cover.

More detailed information and advice can be found in the Association's Code of Practice for Safety and Accident Prevention, a copy of which can be obtained from the General Secretary, The Showground, Stithians, Truro, TR3 7DP. 01209 861073. information@stithiansshow.org.uk.
