

Goats

Goat Section – Where Hooves Meet Hurdles!

Hold onto your hats (and your snacks) — the goats are back, and this year they're bringing skills as well as sass! Our traditional Goat Section returns with all its usual charm, featuring goats of every shape, size, and attitude — from the pint-sized posers to the larger-than-life lawnmowers.

New for 2025: we're raising the baa (or should that be maa?) with the introduction of our Goat Agility Course! Watch as our nimble-footed friends leap, weave, climb, and occasionally flat-out refuse to participate — it's part talent show, part comedy act, and 100% entertainment.

Whether they're strutting for the rosettes or plotting world domination from the show ring, these goats are guaranteed to steal the show (and maybe your sandwiches if you're not careful).

Come for the competition — stay for the chaos. You won't regret it (but you might be followed home by a very determined goat)!
